▶ **Me? A leader?**

We are all leaders by Nature; but, why do I not believe it?

Why do I not put it into practice?

Our deepest fear

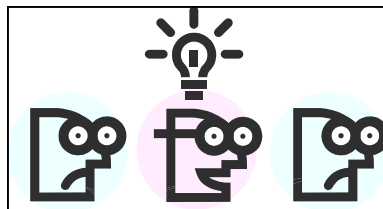

- ⇒ Is not to have enough talents and to be empowered.
- ⇒ It is our light and not our darkness, which we fear the most

We ask ourselves:

Who am I to be so brilliant, so great, so gifted and so fabulous?

In fact, who are you not to be?"

Nelson Mandela

The true leader has Jesus as the center of his/her life

And

Always serves the community well
