

All ministry in the community is a service for the good of all.

No one in the assembly is superior, all are servants.

The one who exercises ministry, ought to have a special preparation that guarantees the efficacy of the service in the community of the faithful.

# Liturgical Ministry

# Workshop

## WORKSHOP DESCRIPTION

This workshop offers the participants the basic formation to serve in the different ministries in their parish as :

- **Commentator:** Is the person who welcomes and guides the assembly.
- **Lector:** Is the person who proclaims the Word of God within the Eucharistic celebration,
- **Choir:** Their principal ministry is to animate the community to praise God in harmony with the Word of God. 
- **Altar Servers:** They are at the service of the celebrant within the Mass.
- **Extraordinary ministers of the Eucharist:** help the priest to distribute holy communion when the community is large; can bring the eucharist to the sick.
- **Hospitality & Welcome:** They welcome all the faithful, making them feel an important part of the community. They take care of other services during the Mass.
