*Accelerated Death Benefit option is a feature that is made available to group life insurance participants. It is not a health, nursing home, or long-term care insurance benefit and is not designed to eliminate the need for those types of insurance coverage. The death benefit is reduced by the amount of the accelerated death benefit paid. There is no administrative fee to accelerate benefits. Receipt of accelerated death benefits may affect eligibility for public assistance and may be taxable. The federal income tax treatment of payments made under this rider depends upon whether the insured is the recipient of the benefits and is considered "terminally ill" or "chronically ill." You may wish to seek professional tax advice before exercising this option.

This coverage is not health insurance coverage (often referred to as "Major Medical Coverage").

This type of plan is NOT considered "minimum essential coverage" under the Affordable Care Act and therefore does NOT satisfy the individual mandate that you have health insurance coverage. If you do not have other health insurance coverage, you may be subject to a federal tax penalty.

This policy provides ACCIDENT insurance only. It does NOT provide basic hospital, basic medical or major medical insurance as defined by the New York Department of Financial Services.

IMPORTANT NOTICE - THIS POLICY DOES NOT PROVIDE COVERAGE FOR SICKNESS.

This policy provides disability income insurance only. It does NOT provide basic hospital, basic medical or major medical insurance as defined by the New York Department of Financial Services.

North Carolina residents: THIS IS NOT A MEDICARE SUPPLEMENT PLAN. If you are eligible for Medicare, review the Guide to Health Insurance for People with Medicare, which is available from the company.
